READY-TO-PROGRESS

Counting confidently

Year 1 pupils should be able to count forwards and backwards within 100 – from **any number**.

Support flexible counting every day. Try count on games at tidy up time.

READY-TO-PROGRESS

Can they see the number in more than one way?

Ready-to-progress criteria expect Year 1 children to represent numbers up to 100 in multiple ways – numerals, words, pictures and physical objects.

Reinforce understanding by switching representations regularly!

Fluency that powers everything else

Fluent number bonds to 10 and
developing fluency to 20 are
essential for success in addition
and subtraction

*Build fluency through daily quick-fire
games!*

READY-TO-PROGRESS

What does the 4 in 47 mean?

By the end of year 1, pupils should understand two-digit numbers as tens and ones – foundational for KS1 maths.

Build fluency through daily quick-fire games!

READY-TO-PROGRESS

+ - It's more than facts - It's understanding!

Children need to understand addition and subtraction using practical resources and not just recall.

Link stories, visuals, and action to deepen connections.

Seeing shapes in the real world

Year 1 learners should name and describe everyday 2D and 3D shapes – not just in books, but in the classroom and outdoors

Make shape hunts part of your daily routine
